Midland Gundog Society (the Society) was founded in 1962 and aims to encourage the training of retrievers in the field. To this end, the Society organises Novice and Open (qualifying) Field Trials, Working Tests and training classes for A.V. Retrievers. Training classes are usually held during spring and early summer at Packington Park, near Meriden, Warwickshire. We maintain a website and Facebook page where results of field trials and working tests are posted, along with future events.

If you wish to be considered for membership, please complete the form below and return to the Honorary membership secretary by email or by post. Your application will be subject to routine ratification at the next meeting of the Society committee. Upon approval, you will be sent a letter of acceptance by email explaining how to make payment of the membership and joining fee. PLEASE DO NOT MAKE PAYMENT UNTIL YOU HAVE BEEN NOTIFIED YOUR MEMBERSHIP HAS BEEN APPROVED.

All new or rejoining members must be proposed and seconded by current members of the Society. Lapsed members wishing to rejoin the society are required to re-apply with the joining fee.

Joint ownership of a dog does not entitle individual owners to each submit nominations for Field Trials or Working Tests. Only one nomination is allowed for each dog.

Please read the *Rules of the Society*, a copy of which is available from the website.

While all reasonable care will be taken in its activities, the Society and its officials accept no responsibility for any damage to persons or property.

If you supply an e-mail address this will only be used for society communication and will not be passed to any third party. Unless explicitly requested in writing by new members, all ongoing Society communication with members will be via email and the Society's website/Facebook page, and not by paper copy. This is in order to reduce the Society's running costs.

Please ensure all information you provide is legible
